## TESTIMONIAL

It is without hesitation that we would recommend SB Web Designs. From our initial call to their handover and beyond, dealing with Claire and Brendan has been a pleasure.

As a new business, we needed a website and of course wanted it up and running as soon as possible. SB Web Designs made this happen.

All aspects of the process were carried out professionally and courteously; the proposal was clear, emails and calls were responded to promptly and work was completed at agreed times. In essence, the project was carried out in exactly the way it was proposed.

Not all web designers work in this way, which is what makes this dynamic team a complete stand-out.

Many thanks for everything you have done and continue to do.

Yours faithfully,

**Corporate Sports Club Pty Ltd**
